ASK THE EXPERTS

Do you have a coin in your collection that you have always wondered what it would be graded if you sent it in to be certified? Well, wonder no more my friends. Bring your coin to our monthly meetings and have an expert render his opinion as to your coins grade. Nick Lagattuta and Rick Demers will be available to give you their professional opinion as to your coins grade. Nick and Rick have many years in the coin business and can give you a good idea of what a professional grading service would grade your coin at. Although they can not "certify" or "slab" your coin their expert opinion will certainly be close to what the paid pros would give.

If your coin has a high enough value Rick Demers can help get your coin slabbed thru NGC. See Rick for details and pricing.

This was an abbreviated meeting as a number of board members were unable to attend.

The main purpose of the meeting was to discuss advertising for our spring, summer and fall coin shows. Our goal is to increase foot traffic at our shows, raise the level of awareness of the Crescent City Coin Club and increase our own club membership. After much discussion it was decided to give Mrs. Debbie Reed a budget of \$1000 for this purpose. Debbie will keep us updated as to her progress.

Past President Robert Eddy confirmed that our Christmas party will be held at Smileys restaurant on Jefferson Hwy. on the 3rd. Wednesday in December. The cost per person will be \$32.00 each. Bob has spent a lot of time hunting down a suitable place for our party that is reasonably priced and we thank him for his efforts.

September Meeting Program

Vice President Nick Lagattuta will give a presentation on Grading/collecting Standing Liberty Quarters.
